Two Oklahoma Fallen Firefighters to be Honored at National Memorial Service October 9

EMMITSBURG, MD – The 35th Annual National Fallen Firefighters Memorial Service will honor two firefighters who died in the line of duty from Oklahoma. They are among the 79 firefighters who died in 2015 and 33 firefighters who died in previous years who will be remembered at the official national service at the National Fire Academy in Emmitsburg, Maryland on Sunday, October 9.

Captain Jason E. Farley, age 45, of the Claremore Fire Department drowned while trying to rescue residents from a flooded apartment building during a heavy rainstorm on May 24, 2015.

Pilot Brandon S. Ricks, age 40, of T & M Aviation died in a U.S. Forest Service helicopter crash while monitoring a controlled burn in the DeSoto National Forest on March 30, 2015.

Their names will be added to the National Fallen Firefighters Memorial on the Academy grounds. The national tribute is sponsored by the National Fallen Firefighters Foundation (NFFF) and the Department of Homeland Security's U.S. Fire Administration.

Thousands are expected to attend the service, including families and friends of the fallen firefighters, members of Congress, Administration officials and other dignitaries. Families will receive flags flown over the U. S. Capitol and the National Memorial. Members of the fire service, honor guard units and pipe and drum units from across the country will participate in this national tribute.
