Arkansas Fallen Firefighters to be Honored at National Memorial Service October 8

EMMITSBURG, MD – The 36th Annual National Fallen Firefighters Memorial Service will honor two firefighters who died in the line of duty from Arkansas. They are among the 75 firefighters who died in 2016 and 20 firefighters who died in previous years who will be remembered at the official national service at the National Fire Academy in Emmitsburg, Maryland on Sunday, October 8, 2017.

Lieutenant Jason Adams, age 29, of the East Pulaski County Fire Department, died after he was shot and killed while responding to an emergency medical call on January 22, 2016.

Firefighter Lancy Allen Crawford, Sr., age 50, of the Plainview Volunteer Fire Department, died on July 7, 2016, of injuries sustained in a rollover apparatus during a weekly training drill.

Their names will be added to the National Fallen Firefighters Memorial on the Academy grounds. The national tribute is sponsored by the National Fallen Firefighters Foundation (NFFF) and the Department of Homeland Security's U.S. Fire Administration.

Thousands are expected to attend the service, including families and friends of the fallen firefighters, members of Congress, Administration officials and other dignitaries. Families will receive flags flown over the U. S. Capitol and the National Memorial. Members of the fire service, honor guard units and pipe and drum units from across the country will participate in this national tribute.
