Wisconsin Fallen Firefighters to be Honored at National Memorial Service October 8

EMMITSBURG, MD – The 36th Annual National Fallen Firefighters Memorial Service will honor two firefighters who died in the line of duty from Wisconsin. They are among the 75 firefighters who died in 2016 and 20 firefighters who died in previous years who will be remembered at the official national service at the National Fire Academy in Emmitsburg, Maryland on Sunday, October 8, 2017.

Firefighter John C. Brocker, age 65, from the Town of Oneida Volunteer Fire Department, died on October 31, 2016, after collapsing at the scene of a single-vehicle motor vehicle accident.

Assistant Chief Mitchell R. Koski, age 58, from the Montreal Fire Department, died on July 11, 2016, from drowning while providing mutual-aid assistance for water rescues during severe storms that caused flash flooding conditions.

Their names will be added to the National Fallen Firefighters Memorial on the Academy grounds. The national tribute is sponsored by the National Fallen Firefighters Foundation (NFFF) and the Department of Homeland Security's U.S. Fire Administration.

Thousands are expected to attend the service, including families and friends of the fallen firefighters, members of Congress, Administration officials and other dignitaries. Families will receive flags flown over the U. S. Capitol and the National Memorial. Members of the fire service, honor guard units and pipe and drum units from across the country will participate in this national tribute.
