

## It is about the “Survivors”

My name is Captain Dale Hart, with the Frontenac Fire Department. Having served in the Fire Service for 34 years, I have witnessed the struggles our firefighter families go through when their loved ones die in the line of duty. In 2008, I joined the Missouri Fire Service Funeral Assistance Team to help provide assistance to the families of our fallen comrades as well as pay respect to all firefighters who have served the public with pride and professionalism.

As a 501 (c)3 not for profit organization, funds raised from this golf tournament help supply the 5 funeral response trailers staged throughout our state. These trailers contain nearly all of the items an agency needs to facilitate firefighter honors, and are funded solely through the generosity of people like yourself. We are very proud of the response system we have created, and our equipment and trained members have been called on to assist other states in their times of need as well. Most notably, our team assisted with many of the funerals for the 19 Granite Mountain Hot Shot firefighters that died in Arizona.

Funds raised from this golf tournament will be shared with the National Fallen Firefighters Foundation (NFFF). In 2014, the NFFF enshrined 107 firefighters into the national memorial in Emmitsburg, Md. and will provide ongoing support to the families of our fallen through the many programs they facilitate.

We encourage you to learn more about the Missouri Fire Service Funeral Assistance Team ([www.mofirefuneral.org](http://www.mofirefuneral.org)) and the National Fallen Firefighters Foundation ([www.firehero.org](http://www.firehero.org)) by visiting our websites.

Attached, please find a tournament sponsor application and a golf team application. We would love to have your organization amongst those who help us honor our fallen firefighters and insuring to those survivor families that we will never forget the sacrifice their family has endured. In addition to becoming a sponsor, we hope you will consider placing a team in the tournament where you will have an opportunity to meet some of the survivors and see firsthand just how important your support is.

Sincerely,

Captain Dale Hart / Frontenac Fire Department
