

Healing After Loss

CAMP HAL

Weekend grief support for children 4- 6 years old whose firefighter parent died in the line of duty. Education, support, and resources for surviving parents/guardians.

Activities Include:

- honoring and remembering fallen firefighter
- bibliotherapy
- expressive art activities
- movement
- activity with local fire service
- afternoon session with parent or guardian
- evening movie party

Camp HAL allows campers space to connect and process their grief through play, art, and movement. All sessions are led by trained mental health clinicians who specialize in children's bereavement.
