What is the NFFF Giving Circle?

The National Fallen Firefighters Foundation's (NFFF) Giving Circle is an elite group of our most compassionate supporters who help us honor and remember America's fallen firefighters, assist their families, and prevent firefighter line-of-duty deaths and injuries. As an NFFF Giving Circle member, an individual can make the greatest impact for our Fire Hero Families and our nation's firefighters. You can be part of this remarkable group by contributing \$1,000 or more each year to the National Fallen Firefighters Foundation.
