## WHAT IS COMFORT ZONE CAMP?

A national 501(c)3 nonprofit organization that provides a safe and fun place for kids grieving the death of a parent, guardian, or sibling. All programs are offered at no cost.

It's a lot like regular camp—fishing, swimming, arts & crafts, gaga ball, bonfires, s'mores and more! A unique part of Comfort Zone is we also help kids with their grief. You don't need to have experienced a loss or have any clinical background to be a great volunteer.

Being a part of the CZC family is something I will cherish forever. Watching the campers transform from the beginning of the weekend to the end was unbelievable.
