

Dear Friends,

Have you ever wanted to be part of something bigger? Have you ever wanted to support the firefighters that protect your community? Now is your chance to show your support of America's Bravest Firefighters and their families. The Bravest who have lost their lives protecting communities across America.

Every year we partner with the National Fallen Firefighters Foundation to hold a Golf Tournament. This year marks our 16th year holding this tournament to generate funds that support the families of fallen firefighters.

Each year nearly 100 firefighters die in the line of duty. The National Fallen Firefighters Foundation utilizes the funds raised at these golf tournaments to hold grief camps, support college scholarships, injury prevention training, and many other programs. Our tournament is just 1 of 23 across the country. Our mission is to honor and help support the brothers and sisters that have lost their lives in the line of duty.

Our tournament will be held at Mill Creek Golf Club in Ostrander, Ohio on August 11th. With the help of generous sponsors, we can continue to grow our tournament and help provide for the families of our fallen firefighters. Any form of sponsorship is appreciated. We encourage our sponsors to participate with us and enjoy a day on the course.

If you would like more information about the National Fallen Firefighters Foundation you can find an abundance of information at www.firehero.org

My name is Douglas Stewart. With the assistance of Jack Guyton and our wives, we coordinate the annual golf tournament. Please feel free to contact me with any questions. I have included a copy of the sponsorship levels as well as a golf team entry form if you want to just enter a team. Please consider sponsoring or attending our event.

I thank you for your time and consideration and I look forward to seeing you on the golf course.

Thank you,

Douglas Stewart
