NATIONAL FALLEN FIREFIGHTERS MEMORIAL WEEKEND WILL HONOR AND REMEMBER 226 FIREFIGHTERS *Three Delaware Fallen Firefighters Among Those Being Honored on May 4-5, 2024*

EMMITSBURG, Md. – The National Fallen Firefighters Foundation (NFFF) will host the **43rd National Fallen Firefighters Memorial Weekend** (Memorial Weekend) on May 4-5, 2024 in Emmitsburg, Maryland. This year's national tribute will honor 89 firefighters who died in the line of duty in 2023 and 137 firefighters who died in previous years. The honorees will include the following Delaware firefighters:

Fire Inspector/Captain Jeremy Lundgren, age 32, of the Dover Air Force Base Fire and Emergency Services, responded to an outdoor fire at a structure during the evening on 3/19/2023. The next morning, he reported to his Assistant Chief that he was having difficulty breathing. He used sick leave and had a doctor's appointment on 3/22/2024. He returned to duty on 3/27/2023, with additional medical appointments scheduled for follow-up. On 3/31/2023, he called for an ambulance at home when he experienced dizziness, sweating, and an abnormal sensation on one side of his body. He was transported to the hospital where he died due to a heart attack on 3/31/2023.

Fire Chief John Pridemore, age 54, of the Clayton Fire Company No. 1, Inc. was conducting station clean up duties when he was injured in a 25-foot fall on 3/7/2022. He was immediately rushed to the Christiana Hospital where he died from his injuries.

Firefighter Philip Young, age 59, of the Dover Fire Department, Robbins Hose Company No. 1, responded to multiple calls on 4/2/2005. Upon returning to the station after the last call that evening, he remained at the station due to an approaching storm. He slipped as he was preparing to descend from the second to the first floor by the fire pole and sustained serious leg injuries. His leg did not heal, and he suffered a stroke on 8/20/2005 as a result of these injuries. He died due to this stroke on 8/22/2005.
