October 18, 2025

Let's show the world: We Remember.

Together, we'll turn New York City—and the nation—red in remembrance.

Join the **National Fallen Firefighters Foundation** in honoring the courage and sacrifice of FDNY firefighters and all fallen fire heroes by **lighting up red** on or around **Saturday, October 18, 2025**.

In the days leading up to the **National Fallen Firefighters Foundation/FDNY Memorial: Honoring Post-9/11 Heroes**, we invite landmarks, fire departments, community organizations, businesses, and families—across the New York City area and the nation—to participate in this powerful display of remembrance.
