The Fire Hero Family Flag

The iconic **Fire Hero Family Flag** you saw as you arrived today was established at the request of the National Honor Guard Commanders Association through the United States Congress. It honors the families of fallen firefighters who gave their lives in the line of duty. Before it was installed at its permanent home in Emmitsburg, Maryland, the flag traveled across the United States to be raised over important national landmarks.

First flown over the U.S. Capitol on Flag Day in 2014, the flag then traveled to:

- Arlington National Cemetery in Virginia
- The Department of Defense Firefighter Memorial in San Angelo, Texas
- The IAFF Fallen Fire Fighter Memorial in Colorado Springs, Colorado
- The Wildland Firefighters Monument in Boise, Idaho

After this four-month journey, the Fire Hero Family Flag traveled to its perpetual home at the **National Fallen Firefighters Memorial Chapel** in Emmitsburg. Once today's ceremony has concluded, the flag will once again return to Memorial Chapel, where it serves as a steadfast symbol of our nation's gratitude to all firefighters who are honored at the National Fallen Firefighters Memorial.
